

Application Serial No. 10/048,114  
Amendment dated August 3, 2006  
Reply to Final Office Action dated May 17, 2006

This listing of claims will replace all prior versions, and listings, of claims in the application:

**Listing of Claims:**

Claims 1-7 (canceled)

8. A process for the automatic adaptation of the data to be transferred from a data-preparing device to a data-requesting device to the capabilities of the data-requesting device, in which the data-preparing device receives information data about the capabilities of the data-requesting device, and the information data contain statements in regard to the display format usable by the display of the data-requesting device, and the data to be transferred are transmitted in correspondence to [[the]] pre-determined capabilities of the data-requesting device, wherein a list of usable display formats is transmitted from the data-requesting device to the data-preparing device, and the data-preparing device, then, according to availability, selects the best-suited display format, and wherein the information data are transmitted from the data-requesting device to the data-preparing device over a network.

Claim 9 (canceled)

Claim 10 (previously presented): Process according to claim 8, wherein the information data are transmitted to the data-preparing device over a device engaged between the data-requesting device and the data-preparing device.

Claim 11 (previously presented): Process according to claim 8, wherein the requested data are stored in a central data bank of the data-preparing device and, on call, are formatted by a formatting device into the pre-determined data format and transmitted to the data-requesting device.

Claim 12 (canceled)

Application Serial No. 10/048,114  
Amendment dated August 3, 2006  
Reply to Final Office Action dated May 17, 2006

Claim 13 (currently amended): Process according to claim [[9]] 8, wherein the requested data are stored in a central data bank of the data-preparing device and, on call, are formatted by a formatting device into the predetermined data format and transmitted to the data-requesting device.

Claim 14 (previously presented): Process according to claim 10, wherein the requested data are stored in a central data bank of the data-preparing device and, on call, are formatted by a formatting device into the predetermined data format and transmitted to the data-requesting device.
